# Sugerland Droughtmasters

The Haviland family's Droughtmaster cattle are based 60 kilometres north of Rockhampton on coastal forest country. We pride ourselves in a "no frills" approach to our stud cattle which keeps us, and them in touch with the commercial realities of the beef industry. The bulls

we produce annually are adaptable to a wide range of environments and strict emphasis is placed on temperament, fertility and consistency. Bull longevity and constitution are a big consideration when we grow and prepare bulls for the rigours of a working life.

Before starting the stud the family tree goes back to having over 100 years of cattle breeding experience which I think keeps us balanced and focused to continue to breed a solid commercial base which we find helps hold our consistency.

Established by Wayne and Lana in 2003 with the purchase of a Glenlands first calf heifer, located 33kms south of Emerald in Queensland where the stud is operated on 700 acres of heavy loam country and currently runs 70 stud breeders.

In 2020 Waylanbar J was established by Jesse, Tori and family as an affiliated stud alongside Waylanbar. They further

expanded their herd by acquiring two neighboring properties, encompassing a total of 2,200 acres within the Biloela and Jambin area to increase numbers within their own herd.

Our goals are to have a continuous stud line of consistent, well-tempered bulls to suit all conditions with the objective to sell across various Droughtmaster sales.

Consumer demands are changing rapidly, supply chains want greater yield and there is an unmistakable push for improved animal welfare and for sustainable and natural protein.

This iconic all-rounder is perfectly placed for our changing future affirming its reputation as Australia's natural wonder. Droughtmaster cattle consistently perform to a high standard despite adverse environments, continually producing high quality and high yielding carcasses economically.

# TERMS AND CONDITIONS OF SALE

**GST CLAUSE** The auction shall be conducted on the basis that the bid price shall be exclusive of Goods and Services Tax (GST). GST shall be added after the fall of the hammer for those sales subject to GST.

All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the Sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the Purchaser provided that the Vendor reserves the right to bid either by himself or through his Agent or Auctioneer and should any dispute arise among the Bidders for any Lot, during or immediately after sale of the Lot, it shall be settled at the Auctioneers absolute discretion who may, should one of the disputants advance, put the Lot or Lots up again. The bidding from time to time shall be regulated by the Auctioneer and no bid shall be retracted.
2. The Sale will be conducted on a "Sale" or "No Sale" basis whereby the Lot for sale shall be knocked down to the highest Bidder, but the Sale will be subject to the acceptance of the highest bid by the Vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the Vendor reject the bid of the highest Bidder such Bidder will have the right of first refusal of the Lot at the Vendor's nominated price for one hour after the Lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they apply.
3. The details of the Purchaser, the purchase price and the Lot sold as recorded by the Sale Clerk for and on behalf of the Auctioneer shall be equally binding on both Purchaser and Vendor.
4. The Auctioneer expressly reserves the right, without giving any reason therefore, to:
  - a. Refuse to acknowledge bid;
  - b. Withdraw any Lot or Lots before or during the Sale;
  - c. Exclude any person from the Auction venue should it think fit.
5. Each Lot in all cases shall be at the risk and expense of the Purchaser, upon acceptance of his bid by the Vendor or upon acceptance of the highest Bidder's offer by the Vendor whichever shall be earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any Lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee,

warranty or conditions whatsoever shall be implied from any affirmation made before or at the time of the Sale, or from any circumstances of the Sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the Lot and signed by the Vendor or by the Auctioneer acting as Agent for the Vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee warranty or condition whatsoever was given or implied.

7. In the event of any dispute in respect to the sale of any lot:-  
Moneys or interest payable by the Purchaser in accordance with these Terms and Conditions;
  - a. The Vendor and the Purchaser shall resolve the dispute themselves;
  - b. The Auctioneer shall have no liability or responsibility in regard to the dispute; and
  - c. No Lots shall be returned to the Auctioneer and the Purchaser shall indemnify the Auctioneer for all costs, expenses and damages which the Auctioneer is put to or incurs by reason of the Purchaser so doing.
8. The name of the Vendor for whom the Auctioneer acts is acknowledged to have been furnished to Purchasers prior to sale and further particulars will in all cases be furnished to a Purchaser if required. In the case of any dispute the remedy of the Purchaser

shall be against the Vendor only and in no case or under any circumstances against the Auctioneer who is to be regarded for all intents and purposes as Agent for a disclosed principal.

9. (a) **PAYMENT** - Unless prior credit arrangements have been made in writing with the Auctioneer the full purchase price for each Lot shall be due and payable to the Auctioneer in cash upon acceptance of the highest bid or the highest Bidder's offer by the Vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the Purchaser or his Representative prior to the payment of the purchase money in full the property in any Lot which is sold shall not pass to the Purchaser until the full purchase price and all Cheques, Promissory Notes, Bills of Exchange, Acceptance Orders or Drafts given in connection with such payment have been paid and liquidated and until property shall pass, the Purchaser shall hold such Lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the Sale the Auctioneer reserves the right to:-
  - i. Rescind the Contract on behalf of the Vendor and repossess and resell any Lot;
  - ii. Recover from the Purchaser interest upon the Purchase price at a rate per annum which aggregates the AMBA Bill Rate and two per centum. For the purposes of this condition, the expression "the AMBA Bill Rate" is the rate published by the Australian Merchant Bankers Association in good faith as at the date of the

Sale as its Bill Rate for 180 day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the Auctioneer shall determine and advise for the purposes of this condition.

- 9.(b) The Auctioneer is selling as the del credere Agent of the Vendor and the full purchase price of any Lot sold shall be payable by the Purchaser to the Auctioneer and be fully recoverable by the Auctioneer in its own name.

way negate the Vendor's right to claim against any principal and in such case the Bidder's liability shall be construed to be by way of guarantee.

14. The Auctioneer may, should he think fit, make arrangements on a Purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any Lot after sale but no responsibility will be accepted by the Auctioneer and all such service will be at the Purchaser's risk and expense.
